

WLCF AWARDS \$3,000 HEALTH CAREER SCHOLARSHIP

Western Lane Community Foundation awarded its \$3,000 Arlis Ulman Health Careers Scholarship to Lane Community College student **Sari Ann Withers** last week. Sari lives in Florence and works full time as a Medical Assistant at Peace Harbor. She still somehow finds time to maintain a 4.0+ grade point average at LCC and was recently accepted into LCC's 2014/15 Nursing Program beginning this Fall term. Her aspirations include a BS in Nursing and eventually a Masters in Anesthesiology at OHSU.

This scholarship was established in 2012 by WLCF to assist local students attending Lane Community College in the field of Health Care and was named in honor of Arlis Ulman, a long time volunteer with the Foundation who served on its Board of Directors for 9 years and has been actively involved with its scholarship program since 1997.

Western Lane Community Foundation is celebrating its 40th Anniversary this year.
