WLCF BACKGROUND

The WESTERN LANE COMMUNITY FOUNDATION (WLCF) was established in 1974 as a community trust, and a private, non-profit organization. The mission of WLCF is to attract, administer and distribute private charitable funds for the benefit of all residents within the borders of the Siuslaw and Mapleton School Districts. WLCF assets consist of a growing number of permanent funds established by individuals and corporate donors.

WLCF MISSION

Mission

The Foundation's mission is to improve life throughout Western Lane County by encouraging and maintaining philanthropic activity.

WLCF focuses its giving in four major areas: culture, medicine and science, education, and social and civic services. WLCF also manages funds designated for use by other nonprofit organizations.

WLCF supports non-profit organizations by providing annual grants that help sustain and enhance the quality of life in Western Lane County, generally in the broad areas of Arts and Culture, Health and Wellness, Social and Community Services, and Education.

GRANT CRITERIA

In approving grant funds, the Foundation welcomes requests that meet the following criteria:

- 1 Projects or programs aimed at providing needed services or facilities for which public funds are either not available or are not sufficient.
- 2 Projects or programs which can be significantly impacted by WLCF funds either alone or in conjunction with other support.
- 3 Programs which actively contribute to the cultural, economic, educational, or social betterment of our community by addressing the source of a major problem(s) rather than simply managing their continuing effect upon our society.
- 4 Staffing costs or operational expenses that are specific to programs or services provided within the WLCF funding area and/or serve its population exclusively.

FUNDING POLICIES

Generally, grants will not be made to organizations for the following purposes:

- 1 Emergency Funding
- 2 Travel to or in support of conferences
- 3 Debt retirement, operating deficits, or annual fund drives
- 4 Sectarian religious purposes (does not preclude consideration of requests for qualifying programs open to all community members undertaken by church-affiliated or supported agencies)
- 5 Programs relying on federal or tax dollars for their principal support unless requested for innovative pilot or demonstration programs for which public funding is not available
